From Our Director of Missions, Clay Gilbreath

I am so looking forward to a couple of big events this month that will help equip the saints! Prominent on page 1 of this Herald you will see information about Disaster Relief Training coming to our association on August 13. I know that you are concerned when disaster strikes – why not come get trained on the basics of responding with assistance to the vulnerable who have been devastated by disaster. They are often more open to the gospel when they see believers really care about their loss. Join me on the 13th! Details to sign up are on page 1.

Next we have our IGNITE Evangelism Rally on August 22. Come join believers from across Big Hatchie as we worship together and hear a powerful message from TBMB's Dr. Roc Collins. You do NOT want to miss this one! More details on page 1.

BCM ministry resumes this month at Dyersburg State Community College campus in Covington on August 30. Special thanks to the churches who will be hosting donuts and coffee each month this semester. We appreciate everyone who sacrifices time and treasure to reach out to these college students. By the way, I am the official donut taster most months – somebody's gotta do it!

Thank you for being a part of this great association of churches. I truly believe we are better together as we stand unified for the gospel and God's advancing kingdom!

Christmas in August is a WMU initiative that provides churches a simple way to directly help North American Mission Board missionaries by collecting and shipping items they need for ministry and outreach. It's so simple!

1. Start with prayer.
 2. Visit wmu.com/christmasinaugust to select one or more missionaries, for instructions, a video, and helpful suggestions.
 3. Promote your missions project at church and in your community.
 4. Gather items during the month of August, then pack and ship them.
